**REQUEST TO TRANSFER SEQUENCE LISTING**  
**FROM RELATED APPLICATION**

MS Patent Application  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants request that the Sequence Listing in both computer readable form (CRF) and paper copy from prior U.S. Application Serial No. 10/646,070 be transferred to the above captioned U.S. Continuation Application.

Applicants assert that as far as the undersigned is aware, the sequences of 10/646,070 are the same as those sequences in this continuation application. Application No. 10/646,070 is a continuation application of Application No. 09/646,807, which is a Section 371 filing of PCT/AU99/00195, is a continuation in part of 09/100,812 (now Letters Patent No. 6,573,099), which is a continuation in part of Application No. 09/100,813 (abandoned) so the transfer is therefore appropriate.

Furthermore, Applicants assert that the paper copy and the computer readable copy of the sequence listing in 10/646,070 are identical.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 546322000304. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 8, 2004

Respectfully submitted,

By
